SKILLS

Agile Workflow | Excel

PowerBI | Tableau | SQL

Python | ETL | Team Management

EXPERIENCE

Data Analyst Apprentice – Nashville Software School

July 2021 – Present

Intensive full-time bootcamp focusing on data analytics fundamentals and problem solving. Used real-world datasets and included projects where findings were presented to stakeholders from the community.

- Analyzed data using Microsoft Excel, including utilizing pivot tables and lookups, and connected to external data sources using the PowerPivot add-on
- Built and deployed dashboards using Tableau and PowerBI
- [Nashville City Cemetery – Excel](#)
Used Excel to clean and analyze data provided by Nashville City Cemetery in order to provide marketing materials
- [Lahman Baseball – SQL](#)
Worked with a team to answer questions testing our ability to perform joins and use aggregate functions on an expansive data set taken from baseball statistics
- [Tennessee Early Intervention System \(TEIS\) – Python](#)
Collaborated with TEIS to analyze their data to answer questions related to the success of their various offices located around Tennessee as well as used the data to highlight problem areas and other discrepancies.

Assistant Site Supervisor – COVID Clinic

11/05/20 – 5/27/21

Started in registration, worked up to clinical training then promoted to assistant site supervisor.

- In charge of 15+ employees as well as making schedules and break times known weeks in advance
- Tracked inventory and ordered supplies based on predicting upcoming testing needs in the region
- Dealt with all customer complaints and managed customer expectations while working towards an advantageous outcome for all parties

Client Manager – Southern California Recovery Centers

12/10/20 – 7/3/21

Live-in client manager for major IOP/sober living facility in southern California

- Helping clients come up with a grocery budget and taking them shopping to managing medications and taking them to work / meetings / community events.
- Met with client and their counselor and therapist to plan small, actionable steps to help them reach their intended goals by the time they were ready to graduate our program
- Proficient training and experience with de-escalation of conflicts with a focus on positive, healthy outcomes

Store Manager – Madvapes AVL, LLC

3/12/15 – 2/10/17

Worked up from a part-time employee to managing the complete daily, monthly, and yearly successful running of a franchise store.

- Handling all day-to-day operations of Madvapes store located at 271 Tunnel Road Asheville, NC
- Having my pulse on the E-Cig industry, researching products, and predicting which new products will sale as well as deciding which products to discontinue carrying
- Responsible for daily, monthly, and yearly success of my store regarding profit margins, customer / employee / employer satisfaction, and personal growth goals
