Rodney Coleman

Data Analyst

👤 Profile

I'm a Nashville native who has a love for computers and technology. I graduated from Middle Tennessee State University majoring in Supply Chain Management. It was then that I realized my interest in working with data and all the things it can lead to. This has led me down the path of becoming a Data Analyst.

📊 Projects

Nashville City Cemetery - Excel

Clean and sorted data provided by Nashville City Cemetery to create a presentation to help provide marketing material. Cemetery Project

Lahman Baseball - SQL

Lahman Baseball (SQL): Class team project requiring the use of an ERD to assist with linking multiple data sheets to find answers to many baseball related statistics. Lahman Baseball Project
